### CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon on Sunday, January 15, is "Life," in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

One of the Bible citations in the Lesson-Sermon includes these verses from the Gospel of Matthew: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people. And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy; and he healed them."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "We are sometimes led to believe that darkness is as real as light; but Science affirms darkness to be only a mortal sense of the absence of light, at the coming of which darkness loses the appearance of reality. So sin and sorrow, disease and death, are the suppositional absence of Life, God, and Hee as phantoms of error before truth and love."
